

I can develop instructional plans that align with Alabama Course of Study Standards, reflect knowledge of child development, and mirror Cris Tovani's Workshop Model.

MINI-LESSON

- Workshop Model PPT
 - Quotes for focus
 - Workshop Design
 - Confering
 - Task Overview

WORK TIME

- Divide into intentionally chosen groups
- Read ALCOSS to identify 2-3 "I can" statements
- Begin drafting lesson
 - ↳ outlining WS structure

confer w/ each table about "I can", opening, & mini lessons

★ OPENING

- Welcome & Attendance
- Technology Presentation
- Overview of Day:
 - Reiterate purpose of Tovani text
 - Structure of Day

DEBRIEF

- Whole Group Reflection
 - What obstacle did you face or anticipate during planning?
 - How did you overcome them?
- 3-5 min small group shares

CATCH & RELEASE

Pause and "think aloud" based on observations from initial confering

MORE WORK TIME

- continue developing workshop plans
- Plan presentation / share

continue confering with each group about how students will be assessed, conference structure / focus, and how students will reflect / share in debrief
