Overall Quality	Expert	Practicing	Apprentice	Novice
	The work done exceeds all expectations and shows that the learner is proud of their work. The effort that was put into this task is the best it can be by the learners.	The work was done with good effort that shows what the learner is capable of. It is evident that time was put into this poster and presentation.	Work is done with fair effort, but the quality is still not what the learner is capable of. It is evident that the work was rushed.	Work is done with little effort; quality is not what the learner is capable of. It is evident that the work was rushed and little time was spent on the final product. Work is incomplete.
